Lake Shawnee News

MESSAGE FROM THE PRESIDENT MARCH/APRIL 2020

Annual Meeting-Mark your calendar!!!! It is that time of year again! Spring has been in the air - looks like no winter this year!

Please try and make an effort to attend this year's meeting scheduled for **Saturday, March 28th at 1pm** to be held at the Lake Forest Yacht Club due to our clubhouse renovation. We also have the SuperHero 3-6-9 Race that morning so the meeting will be after the run. Meetings the last few years have been around an hour. We need a quorum (10%) of the total membership in good standing, which is currently about 50 members to conduct Club business. And to be clear, if two members of the same household show up it only counts as one Club member for quorum purposes. The annual meeting is an opportunity for our Board of Governors and its' committees to report to the membership all the activities of the Club. *In addition, we will be presenting updates to our bylaws and the status of our clubhouse renovations*. The annual meeting packet is posted on our webpage under the members' only section. We will have light refreshments after the meeting. Come out of hibernation and meet a few of your neighbors!

For the 3rd year in a row, we were not able to get our Winter Carnival in again this year. Not even skateable ice this year and I think I only saw ice fisherman out once.

Our Swim Team committee begins monthly meetings to get ready for its' season, so if you have a potential swimmer please try to attend. Our Social Committee is getting ready for all our Spring and Summer events and can always use new volunteers.

Our Budget committee has met, and the Board approved our 2020/21 budget at our February meeting. Invoices for Club dues will be going out shortly. Please remember that it is important for ALL members, not just a few, to donate some of your time to the Club from time to time especially at our workdays and with our committees to help control costs. Without volunteerism, our dues would be significantly higher especially if we had to pay for all the labor to complete the many projects and run events throughout the year. We will be looking for some volunteers this spring to help get the interior of the Clubhouse painted.

While paying your dues this year, we ask our members to please update their contact information with the Club. It would be helpful to include your current phone numbers and email addresses when returning your dues invoice even if you have done so in the past.

Our annual workday is scheduled for Saturday, April 25th. As always, we need volunteers to help get the Club properties ready for the season. Please consider coming out for an hour or two to help. We have a light breakfast at 8 am and head out to the properties after that. If you are not sure where to go or what you can do, just stop at the Clubhouse first. We are generally done by 12 noon and have lunch available. There will be a Signup Genius put out in the beginning of April.

It is that time of year; we will start to see more activity around the lake such as walkers/runners and bikers out and around the lake. Just a reminder to be alert and to please obey the posted speed limits throughout the lake to help ensure the safety of all our residents.

Lake Shawnee Club Scholarship

We are so excited for the second annual Lake Shawnee Club Scholarship that will solely be funded with 100% of the proceeds from our Lake Shawnee Super Hero 3-6-9.

We celebrate the passionate champions of our community who are active in community service and have plans for post-secondary school either college or vocational. This one-time award may be used for tuition, books and other school related expenses. Applicants must be a Jefferson township resident as well as a 2020 graduating high school senior.

Applications are available at the JTHS Guidance office or by contacting lscnews@lakeshawneeclub.org. A Scholarship Committee will evaluate all applications to determine the recipient(s) of the Lake Shawnee Club Scholarship!

Calling All Lake Shawnee Super Heroes!! We need your help!

We are looking for some enthusiastic individuals to help us create cheering sections for the runners of our Lake Shawnee Super Hero 3-6-9 on Saturday March 28th. Get a group together... dress the part...make some signs and most of all let's show our participants what Lake Shawnee Spirit is all about. The best part is that the most enthusiastic cheering section will win bragging rights and their photo in the Lake Shawnee news.

We are also looking for a few volunteers to help us with traffic, registration, water stations and some other simple tasks.

Please send us an email at lakeshawneesuperhero369@gmail.com to let us know how you can help.

Special Arrival of the Easter Bunny

Photo Opportunities

AND

The Great Egg Toss

Teams will construct a protective covering with the materials we provide for a raw egg. Then they toss the padded eggs onto a target. Their goal is to hit the bull's eye or outer rings without breaking the eggs, racking up as many points as they can in the process.

(Some details may be adjusted pending the status of the renovations to the Clubhouse – keep an eye out for updates to come!)

Summary of the Lake Shawnee Club Board Meetings

January 3, 2020

A new community campaign "Slow Down Shawnee" has been formed to help to reduce speeding cars in the neighborhood. They have created a Facebook page, held several meetings and advertised in the Lake Shawnee news.

There was a discussion on the funding of the Clubhouse Renovation Project.

The Christmas Light Fight winners were announced and posted in the Lake Shawnee News. The Winter Carnival is scheduled for January 26th with a no ice date of Feb. 9th. The Lake Shawnee SuperHero 3-6-9 is scheduled for Saturday, March 28th.

The Budget Committee will reconvene to discuss the budget for the upcoming year.

It was reported that the fishing committee will be holding a contest this month; they are looking at possible dates pending sufficient ice.

It was reported that there were no updates on the construction project at the Clubhouse. They are waiting for the trusses for the roof to arrive before demo begins.

It was reported that the deadline for candidate nominations was Dec. 31st and no one came forward.

The Annual Meeting has been moved to March 28th at 1pm at the Lake Forest Clubhouse.

February 7, 2020

The Club received notification from NJDEP reminding us of our required visual inspection of the Dam. Mr. Gerry Remsen, our engineer, who will do the inspection the weekend of February 15th along with Mr. Fred Stewart. The report is due by April 15th.

The Social Committee reported that there will be no Winter Carnival this year due to lack of ice. The committee is looking at making some changes for next year, which will include several no ice activities. Superhero 3-6-9 registration is now open. Two new ideas were proposed at the last committee meeting including a pop-up library at 1st Beach at Snack Shack and a possible lecturer about sex trafficking for both kids and adults.

An ad will be placed in the LSNews stating any boats without current stickers will be removed on Spring Workday on April 25th.

Our yearly contract with Solitude was reviewed and approved for weed management for the upcoming year. There was a 3% increase in fees for the year, although some more affordable options may be available to cut costs. The treatments used last year were more expensive but should continue to be effective this year.

Spring Workday is scheduled for Saturday, April 25th.

The Budget Committee reconvened to discuss the budget for the upcoming year including a three-year average of membership numbers plus all submitted property budgets. The Club Treasurer will recalculate this year's membership numbers to include the anticipated increase in Senior members.

There has been a lot of progress on the Clubhouse Renovation project this month. The shingles have been installed on the roof and they are currently ripping off the subfloor on the upper floor; they will inspect the floor joists and add support where needed. The next step will be to install new electric. Replacement of the deck will be one of the last projects as they are using the current deck during construction. Due to unforeseen issues, the chimney will be removed, and the Clubhouse will convert to gas in the fall.

It was reported that a new statute regarding lake associations has been adopted by the State, although it is currently being amended. Due to the new law, our nomination process has changed, which will require changes to our bylaws. The bylaw committee will reconvene draft the necessary changes and present them to the Board at a special meeting to be voted on by the membership at the annual meeting in March.

Lake lowering dates were discussed since this is a Presidential Election year. It was noted that we do drawdowns every four years with two-year drawdowns as needed. The time frame is usually 45 days beginning October 1st. A lake lowering permit will be obtained from the State.

Lake Shawnee Super Hero 3-6-9

Three Different Races for Every Kind of Super Hero!
You choose Your Challenge:
A 3 Mile Run/Walk, a 6 or 9 Mile Run!!
Family & Kid Friendly!!

Saturday, March 28th 2020 - 9am Start

Lake Shawnee continually proves to be a community of Super Heroes, thriving on volunteerism and service towards others. These traits are nurtured at an early age and are cultivated over the course of many years. We would like to celebrate the passionate champions of our community by creating a Lake Shawnee Scholarship Fund that will be solely funded with 100% of the proceeds from our Annual Race.

Dear Friend:

We are proud to announce that the Lake Shawnee Club along with the Mayor's Wellness Campaign is sponsoring the Super Hero 3-6-9 Scholarship Fundraiser. Because of the nature of the event we are anticipating a large crowd giving our local merchants a wonderful opportunity for advertising while giving us an additional way to raise funds for the young adults in our community.

We are offering Tiered Sponsor Packages for the event, and are asking that you consider one,

Package 1 – Advertising on our Facebook Page and in the Lake Shawnee Newsletter plus a Mile Marker or Water Station Advertisement and a 2' x 3' Full color Fence Banner at Start/Finish with your logo.

$100.00

Package 2- Advertising on our Facebook Page and in the Lake Shawnee Newsletter plus A Mile Marker or Water Station Advertisement

$75.00

Package 3- Advertising on our Facebook Page and in the Lake Shawnee Newsletter

$50.00

If you are unable to choose one of the above packages, perhaps you will consider donating an item or part of the item from the list below. We are in need of the following –

2 Club Size Tubs of Butter
2 Club Size Tubs of Cream Cheese
400 6 oz. cups
100 Bananas
100 Bagels
200 bottles of water
100 Napkins

If you have any questions or need additional information, it is best to contact the Lake Shawnee Scholarship Committee via e-mail at LakeShawneeSuperHero369@gmail.com.

I hope you will consider one of our Tiered Sponsor Packages. Thank you in advance for your time and consideration. Our Sponsor Deadline is February 15th.

Sincerely,
Kristeen McConnon & Dina Troha

The Social Committee is Seeking Volunteers

In order to ensure the success and continuation of next year's events, we need more volunteers to come out and lend a hand. Without increased involvement, we will be forced to cancel events that we have all come to love. A large commitment isn't necessary. We are asking members to sign up to chair an event(s). New ideas are always welcome. We will also share experiences and help you every step of the way. Unfortunately, if we do not get people to chair more events, they may be cancelled. So grab some friends, pick an event and let's work together to make 2020 an exceptional year!! If you are interested, please email social@lakeshawneeclub.org
