MESSAGE FROM THE PRESIDENT

MAY/JUNE, 2019

Thank you to all who attended our Annual Meeting; we had a quorum as required so we could conduct business and provide our usual array of reports to the membership and annual elections. One hour for the meeting!

In May, we look forward to the official opening of our beaches with guards on duty starting Memorial Day weekend. Our guards will then be on-duty each weekend until June 21st after which they will be on duty seven days a week through Labor Day. I need to remind all our beachgoers that our lifeguards are not babysitters. It is always the primary responsibility of a parent or guardian to be watching their children around the water especially the younger ones. Children under 12 must be accompanied by someone 14 or older.

If you plan on using the Club facilities, please be sure to bring your dues current and utilize your 2019 badges and/or wristbands when on Club property. We regularly hear members complain that we have many non-members using our properties, so utilizing your badges lets us all know who belongs on our properties. Wristbands are available upon request for members only; they are not to be used for guests. Sam Gamble will be returning as our Summer Security Guard, Kristen Iaconetti will be returning as our Lifeguard Supervisor.

Mark your calendar; we have a few events to kick off our summer season. The Board hosts an Annual New Member Mixer each year, which is scheduled for May 3rd at 6:30 pm before our monthly Board meeting. Invites will be sent out to our newest members. We would love to meet everyone who recently moved into the Lake over the last year, so I hope our new members can make it. It is that time of year and our Social Committee calendar really ramps up. We have our Community Day on June 29th and our Movie Night/Camp out on June 14th; be sure to mark your calendar. All events are posted on our web page.

We will once again be offering kids swim lessons this year; information will be posted on our website shortly for water testing dates which should begin after July 4th. Also, the Swim Team is always looking for new swimmers, so if your child has any interest in swimming you can join and be a part of a wonderful experience. Sign-ups are always open; you can go to the Swim Team page on our website for more information.

It is that time of year in which we are looking for volunteers to help with our summer night patrols which will begin on July 4th weekend and continue through Labor Day weekend. Please help us keep an eye on our properties; it's less than an hour of your time 2-3 nights throughout the summer. You can contact me via e-mail if you are interested. Husband & wife teams welcome. I will be sending out emails to last year's teams in early June.

As we all know, Lake Shawnee is a great place to walk or run, and as spring moves forward, we know more, and more of our residents will take to our streets for exercise. Out of courtesy for our residents, please drive carefully. It is recommended that walkers/runners should always walk opposite traffic, single file please for the walking groups and cyclist are required to ride with traffic. For those who like to walk during dusk or dawn, some type of reflective clothing is recommended as well.

Enjoy the start of summer!

Summary of the Lake Shawnee Club Board Meetings

March 8, 2019

It was reported that Ms. Ruth Kuhl and Ms. Kristin White are doing a great job as the new Social Committee chairs. They have continued with the same events - Card Night, Baby n Me which recently included Zumbini, Dance Classes, and Texas Hold em, and Yoga. Mr. Matt Rossett is offering a new Meditation class on the first Wednesday of the month starting in April. Upcoming events include Paint and Pallet, Wine Tasting, CPR Training Class, and the Club's annual Easter Events.

The Board discussed plans and details of the upcoming Super Hero 3-6-9 Event on March 30th.

It was reported that Allied Biological will provide plans for the upcoming year and a report from last year's activities in time for the Annual Meeting. It was noted that April 13th is the COLA meeting at Lake Mohawk Country Club.

The date of Community Day was changed to June 29th.

The Swim Team is in the process of hiring coaches for the season.

It was reported that new stools were purchased to replace several recently broken stools at the Clubhouse and the carpet was cleaned.

There was a brief discussion on plans for the Annual Meeting.

An update on the proposed Clubhouse renovation project was provided to the Board including quotes from several contractors. There was a general consensus to go with the ramp vs. lift option, however there was not a formal vote at this time. There was a discussion on the three quotes as well as the funds available for the project. The Board decided to postpone a decision until the April meeting pending results of checking references and checking the septic line.

It was discussed and decided by the Board that all three port-a-johns would be delivered to 1st Beach on the March 27th in time for the LS Superhero 3-6-9, then moved to their proper position for the rest of the season.

April 5, 2019

Mr. Don Wagenhals was in attendance to address the Board about the 2nd Lake Shawnee reunion planned for August 10th at the Clubhouse. He, along with Joanne Ridner, April Lang and members of the Social Committee hope to get both past and present members to attend the event.

The Social Committee reported that Wine Tasting was once again a huge success and a CPR class was held for free for all 6 in attendance. Upcoming events include the Easter Brunch. There was a discussion and recap of the recently held Lake Shawnee SuperHero 3-6-9 and the Lake Shawnee Scholarship.

Ms. Alicia Szwec continues to update the LS website with the most up to date information including Swim Team, Fishing Committee, calendar of events, and photos from the Lake Shawnee SuperHero 3-6-9

It was reported that an initial survey has been scheduled with Allied Biological to check the status of lake. There are two new products available: ProcellaCOR that they will try by Beaver Cove and XTR to treat the filamentous algae that is much less invasive to the zooplankton and other microscopic invertebrates. Both treatments are more effective but more expensive.

Egg addling will begin by the end of April.

Plans were made for Spring Work Day is scheduled for Saturday, April 27th. It was noted that the Swim Team will be replacing the decking on the far dock.

Lifeguard Supervisor for the upcoming is Kristin Iaconetti and Summer Security is Sam Gamble.

Fishing Committee will be stocking bait fist and is looking into possible fundraising events.

Swim Team sign-ups will be held Saturday, April 20th from 10-12 am. Coaches for the season have been announced, Mr. Jamie Brieten and Ms. Jodi Bunda will return for the 2nd Season, and the Swim Team Board is the same for the upcoming year. Annual Golf Outing is scheduled for Friday, June 28th.

The Board discussed the proposed Clubhouse renovation project including references that were obtained on the lowest bidder, issues that may arise and the budget for the project.

It was reported that we received a letter from Dam Safety. After reviewing our plans, they requested more changes. The Board is waiting to hear back from Mr. Jerri Remsen on how to proceed.

The Board voted all in favor to accept the updated Boat Storage Policy. ***New policy will be posted on the webpage under members only section.***

The Annual Board Reorganization was completed.

## Band of Strangers

Jim Cullen and his wife, Carol, have been members of the LSC since the 1950's. He was a member of the Sailing Club (never won a race but once did come in 3rd) and their kids and grandkids enjoyed lake living for many years. Jim was a veteran of WWII and Battle of the Bulge, and last November had a book called, "**Band of Strangers**" published on Amazon--quite exciting for a 95-year-old!

With Memorial Day coming up, they thought it would be of interest to our readers who had family members who served in the military and who may not have known about their experiences and what it was like being a soldier or a replacement soldier in the midst of battle. Below is one bit of information of why he wrote the book and how it came about.

In September of 2001 78-year old Jim Cullen watched reports of the passengers of United Airlines Flight 93--strangers who decided to fight together in the face of death--and saw a similarity to his experience, and knew his own story needed to be told. He began writing his memoirs not only for his grandchildren but also to describe the situation he faced almost six decades ago.

What sets **Band of Strangers** apart from other World War II stories is that it is written by a foot soldier who was there and not by a historian researching information about the war.

He addresses the unrecognized but vital US Army Combat Replacements. His unit, 2nd squad 1st Platoon of the 36th Armored Infantry Regiment of the 3rd Armored Division were replacements and complete strangers who met for the first time on the battlefield in Normandy. Like the passengers of Flight 93, these men did not know each other, probably never even saw each other before. They never trained together, marched together, or drank together. They didn't know anything about each other but were put in a difficult situation and knew what they had to do. They pulled together and got it done.

His story is now available on Amazon in Kindle, regular print, and large print.

Background information on the book is available at [www.WWIIMemoir.com](http://www.WWIIMemoir.com) or [www.facebook.com/WWIIMemoir](http://www.facebook.com/WWIIMemoir) under the author James K. Cullen.
